Ralph,

I would just like to send on a thank you for your recent drum clinic at Xmusic Dublin. We have had numerous customers who were there on the night compliment the articulation, approach, entertainment and practical knowledge of yourself as well as your outrageous musicianship!

We have had all the big names through our store here including Steve Smith, JoJo Mayer and Mr Steve Gadd and Ralph I must say your clinic was the most enjoyable and informative. A Gentleman Musician and superb clinician.

We look forward to having you back again soon here at Xmusic.
All the best for the future.

Sincerely,

John Healy
